LOCAL & STATE

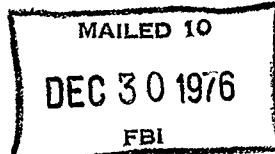

Dear [redacted]

It was indeed thoughtful of you to write on December 22nd and apprise me of your high regard for the testimony of Special Agent [redacted] in the Gary Gilmore case. Your communication is a source of encouragement and you can be sure I will share it with him. I know he will be as appreciative as I am of your generous comments.

Sincerely yours,
C. M. Kelley

Utah County Attorney

County Building, Room 107
Provo, Utah 84601

December 22, 1976

ROUTE TO D.O. FOR SIGNATURE, *plc.*

Clarence Kelly, Director
Federal Bureau of Investigation
Washington, D.C.

LOCAL & STATE

Dear Sir:

I would like to extend my appreciation to you for your cooperation and especially for the highly professional job done by Agent [redacted] who testified in a successful prosecution against the defendant, Gary Gilmore. The expertise offered by Agent [redacted] in regard to ballistics of the murder weapon had a great deal to do with the conviction of Mr. Gilmore. As in the past, the cooperation and attendance of your agent was greatly appreciated.

Sincerely,

NTW/sm

This report supplements and confirms our
 LETS-TELETYPE dated October 2, 1976.

OCT 14 1976

The latent palm print previously reported
 in the above-entitled case is not identical with the
 left palm print of Gilmore.

The latent impression (fingerprint or palm
 print) was compared, insofar as possible, with the
 available fingerprints and left palm print of Gilmore,
 but no identification was effected.

Chief of Police

October 13, 1976

Conclusive comparisons of the latent impression were not possible, inasmuch as the extreme tips and the lower joint areas of the fingers, as well as the left palm, were not clearly or completely recorded in all instances.

The remaining latent fingerprints previously reported are not identical with the fingerprints of Gilmore.

The submitted prints are enclosed.

 SPECIMENS: Fingerprints of Gary Gilmore (Gillmore), FBI #397556D

This report supplements and confirms our
 LETS-TELETYPE dated September 23, 1976.

For conclusive comparisons of one latent
 impression (fingerprint or palm print) and one latent
 palm print that were previously reported in this case,
 impressions of the extreme tips, sides, and lower
 joint areas of the fingers, as well as the left palm
 print of Gary Gilmore are needed.

The remaining latent prints are not iden-
 tical with the previously submitted fingerprints and
 right palm print of Gilmore.

Dear Mr. Kelley:

In regards to our case 76-3065, we have a set of
prints from Gillmore to have you analyze.

Enclosed is a copy of your recent analysis. Due to
the fact Gillmore has just recently got his hand out
of a cast, is the reason for the delay.

Our trail date is set for October 4. We would
appreciate receiving the results before this time.

Sincerely,

August 3, 1976

print of Gilmore, but no identification was effected. There are no palm prints contained in our Identification Division files for Gilmore.

Impressions of the extreme tips, sides, and lower joint areas of the fingers, as well as palm prints are needed for conclusive comparisons.

The latent fingerprints and latent impression were compared, insofar as possible, with the submitted fingerprints of Bushnell, but no identification was effected. There are no fingerprints or palm prints contained in our Identification Division files for Bushnell.

Photographs of the latent prints have been prepared and will be available for comparison with the fingerprints of any individual you may name or with any fingerprints or palm prints you may wish to submit for this purpose.

The submitted fingerprints of Gilmore are being retained and you will receive a transcript of Gilmore's identification record separately.

The results of the laboratory examinations and the disposition of the remaining submitted items will be furnished in a separate report.

RE: UNKNOWN SUBJECT(S);
 BENNIE J. BUSHNELL - VICTIM
PROVO, UTAH
JULY 20, 1976
HOMICIDE

REFERENCE: Specimens received July 26, 1976
 EXAMINATION REQUESTED BY: Addressee
 SPECIMENS: \$149.00 in U. S. currency
 Seventeen lifts
 Fingerprints of Bennie Jewkes Bushnell
 Fingerprints and right palm print of Gary
 Mark Gilmore (Gillmore), FBI #397556D

The specimens were examined and three latent fingerprints, one latent impression (fingerprint or palm print), and one latent palm print of value for identification purposes are present on four lifts.

ST-102 DEC-93 DE-1 15-210205
 The latent fingerprints and the latent palm print are not identical with the fingerprints or right palm print of Gary Mark Gilmore, FBI #397556D.

The latent impression was compared, insofar as possible, with the available fingerprints and right palm print.

print of Gilmore, but no identification was effected. There are no palm prints contained in our Identification Division files for Gilmore.

Impressions of the extreme tips, sides, and lower joint areas of the fingers, as well as palm prints are needed for conclusive comparisons.

The latent fingerprints and latent impression were compared, insofar as possible, with the submitted fingerprints of Bushnell, but no identification was effected. There are no fingerprints or palm prints contained in our Identification Division files for Bushnell.

Photographs of the latent prints have been prepared and will be available for comparison with the fingerprints of any individual you may name or with any fingerprints or palm prints you may wish to submit for this purpose.

The submitted fingerprints of Gilmore are being retained and you will receive a transcript of Gilmore's identification record separately.

The results of the laboratory examinations and the disposition of the remaining submitted items will be furnished in a separate report.
